

WELCOME | JANUARY 6, 2019

The new year has officially begun and what a blessing to start it off right by being in church. The Bible tells us the Lord is to have preeminence in all things; that means He is to come first. Among the many ways we can make the Lord our first priority is to give Him our heart by giving Him our time. I believe 2019 will be a better and more productive year if we commit to being faithful to church, reading God’s word, and spending time in prayer. We will do all of those things today, and I hope you will continue to make the Lord first the rest of the year in everything you do.
