

WELCOME | MARCH 10, 2019

Welcome to our annual “I Love My Church” Sunday! At the conclusion of our morning service today we will be taking our Vision Offering which helps us to make additional payments on our building loan. I would encourage every member who finds help, benefit, and blessing here to have some part in the Vision Offering.

Tonight we will have our project offering and, as always, it will be a memorable evening of fun and meaningful contribution to the ever present needs of the church.

We make investments and contributions to a great number of things in this world: our cars, homes, furniture, boats and the like. Giving to this place that means so much to all of us seems a worthy place to make an investment as well.
